### MAY/JUNE NEWSLETTER

Hi!

How about "Pictures of Lily"! Isn't it fantastic? Out of sight as Rosko would say! This record must reach the number one spot. Please please send lots of requests to the radio stations for it and get it played at your local ballroom or club over and over again. Bombard the D.J.'s.

### EXTRA + EXTRA + EXTRA

I'm sure all of you will be overwhelmed to hear that Chris Stamp now has a fan club. You may well ask, "Who is this Chris Stamp?" He is co-manager of the Who and also Terence Stamp's brother. His fan club is run by Maureen Dayton, 42 Elbow Lane, Stevenage, Herts. Anybody want to run a fan club for Keith Moon's second cousins friends butcher or Pete Edmonson who is Robert Stigwood's personal assistant?

### WBC IN NEW YORK

Most of you have probably read in the papers about the success the boys had in New York. At the moment "Happy Jack" is number 25 in their charts. Fans travelled from all over the U.S.A. to see their show. One fan even came all the way from Ontario in Canada. Also on the bill with them were The Hardly Worthit Players whom Keith became very friendly with. He bought back with him records by The Hardly Worthit Players, The Young Rascals, Byrds, Dion and Terry See. Freddy Cannon and the Young Rascals actually went to see their act one night. For those of you that have not heard about the electric jacket that Pete wore while in New York, I will tell you something about it. It was designed by Pete and cost 500 pounds. It is plain white and has fairy lights on it. They are connected to the same circuit as his guitar and for walking in the street they work off a battery. So now you know! On July 14 the boys start a nine week tour of the States with Herman's Hermits topping the bill. U.S. fans can obtain a list of the venues from Nancy Lewis, Apt 5N, 888-8th Avenue, New York 10019, U.S.A. Nancy is the boys publicist in the U.S.A. It is expected that the Who will fly to the States on July 7th for a week of promotion and television and then join Herman. Linda Czochara runs a very successful fan club for the boys in Chicago. The address is 2410 S. Springfield Ave., Chicago, Illinois 60623.

### HONORARY MEMBERS

We have just one new honorary member this month. He is dinky Johnnie Walker who is a D.J. with Radio Caroline. Johnnie's fan club is run by his Mum and the address is P.O. Box 17, Solihull, Warwickshire. Dig his sexy voice! (Hi Johnnie)

Honorary members The Cream have now got a fan club. For particulars write to: Cream Addicts Anonymous, Ann Hartson, 88 Hedgegate Court, Powis Terrace, London W.11. The Cream's next single "Strange Brew" which they recorded in America will be released in mid-May.

### COMPETITION RESULTS

The winner of the last month's competition was Gabs McGee, 253 Beverley Dr., Edgware, Middlesex. Her suggestion for a competition is to see how many words you can make out of John Entwistle. All words to be found in the dictionary. The person who gets the most words wins. Gabs wins a tee shirt which Keith wore on stage while he was in the States. The prize in this month's competition is an L.P. by the Who or any of the honorary members of The Who Fan Club.

### THE BEE GEES

I stated in last month's newsletter that the Bee Gees would be recording for the Track label but I was misinformed. Their records are released on the Polydor label. I recently saw the Bee Gees at the Saville Theatre and they were unbelievably professional. Let's hope "New York Mining Disaster" is a big hit for them.

### DELETED WHO RECORDS

I get lots of letters from people asking where they can obtain copies of deleted Who records. I think the best thing to do is to have a look around your local record shops and if you have no luck then write to Brunswick Records, Albert Embankment, London S.E.1. They may be able to help you. "Zoot Suit" which was recorded by the boys when they were the High Numbers back in 1964 is another disc I get lots of enquiries about. This was released on the Fontana label so they may be able to help you if you write to them. Their address is Stanhope House, Stanhope Place, London W.1. Just a few weeks ago I found two copies of this record in a shop in Kilburn so maybe you will have the same luck if you look around.

### POLL RESULTS

You will remember David Ball conducted a poll to find out which Who singles were the most popular. So here are the results: 1. My Generation 2. I'm A Boy 3. Substitute 4. Happy Jack 5. Anyway Anyhow Anywhere 6. Kids Are Alright.

### SIMON DEE

This is "DOWN WITH SIMON DEE" week. How dare he say such ludicrous things about the Who in the Melody Maker Blind Date. (28/4/67) Don't let him get away with this and write to the Melody Maker with your opinion of his remarks.

### ODDS AND ENDS

In the last newsletter I told you I had some Marquee and "I Can't Explain" posters. I have had hundreds of orders for them but since I only had a few dozen posters I will have to disappoint lots of you. At the moment I am trying to get some more printed but they will probably cost at least 2/- each. If you have sent a postal order to me and you haven't received anything then please write and let me know if you want your postal order returned or if you would like something else instead. In the next newsletter I will let you know if I did succeed in getting more.

I have tee shirts now with THE WHO printed on them in the following colours - red, green, blue, yellow and black. They come in sizes small, medium and large and cost 12/6 each. (2 dollars)

The Who key rings will be a little dearer than I expected. They're 2/6 each. (50¢)

Individual and group photos cost 3/6 each (60 cents)

Who carrier bags in red. They have The Who printed on them in pink and are size 8½ x 14 x 6 and cost 4/6 each (80 cents, or 1 dollar if you wanted it posted airmail.

Biro pens cost 1/6 each (25 cents)

Who button badges cost 1/- each (20 cents)

### U.S.A. FAN NOTES

If you order tee shirts or anything else in the Odds and Ends and wish the item to be posted airmail then please send more money to cover the extra cost. Please do not send coin. Either send a cheque, postal order or dollar notes.

### EXTRA

Did you hear about the man that was electrocuted in the bakery?  
He stood on a bun and a current ran up his leg.  
(That was specially for the under 10's)

## TAIL PIECES

Irish fans have been writing to ask me if they can join The Who Showband Fan Club. Ha Ha! --- The Barron Knights have recorded "Lazy Fat People" a Pete Townshend composition. --- Shame about Honorary Members Paul Rogers and the Raiders breaking up. Also terrible about Paul's brother being killed a few days ago. --- Mike Shaw is now living in London. --- Jean Shrimpton's horse Modesty Blaise foaled last week and has been christened Lily. Terence Stamp suggested this after hearing "Pictures of Lily". --- Who L.P. "A Quick One" has been nominated for a Grammy Award in the U.S.A. --- Richard Green ex Record Mirror has joined the new Action working mainly for Track records. --- President Rosko recently devoted almost his entire programme on Radio Luxembourg to playing records by the Who. --- Roger has bought Keith's and John's old Bentley and is having it resprayed with a picture of Lily on the boot. --- I suppose you all know by now that John got engaged to Allison Wise. She has short black hair, brown eyes and is very slim. I am telling you this because lots of you have written and asked me what she looked like. On the whole they make a fabulous couple and I sincerely hope they will be very happy. --- On the boys last trip to Germany Keith missed his flight and had to charter a special plane. --- I almost forget to thank you all on behalf of Roger for the cards and presents he received for his birthday. I bought him a Ronson table lighter which he was very pleased with. One fan sent him a green pair of underpants!!! --- I hope you all voted for the Who in this week's Battle of the Giants. If the Small Faces beat The Who, I give up. ---

FOFN (as John Entwistle would say)
